Testimonial from Schools

2 nd March 2012	Hong Kong Red Swastika Society Tai Po Secondary School	F5 Presentations Workshop	Abbey English provided us with a very professional level of service. Their staff were hard working and reliable. They provided differentiated materials that met the needs of our students. Their detailed evaluation report enabled us to easily assess the effectiveness of the courses they ran.
4 th June 2012	Maryknoll Fathers' School	F2 Debating Workshop	On behalf of the English Department of Maryknoll Fathers' School, I would like to express our heartfelt gratitude to Abbey English Centre. The course and the activities were very well-organized. The students have given very good comments, which proves the success of the course. Thank you very much and we look forward to another opportunity to work with you in the coming future.
5 th September 2012	Hong Kong Red Swastika Society Tai Po Secondary School	F1 Bridging Course	We had lots of positive feedback from the teachers about the bridging course and I think I can say it was probably the best one we have held in the last 5 years.
